Gentlemen:.

Mr. Tom. ~~Hicks~~ Hicks, R.F.H, Charlie Hope, Brunswick County, Va., has an old account book of his great-grandfather Isaac Hicks (1735-1817) of Brunswick County. Isaac Hicks was an enterprising man who ran a fleet of wagons to Petersburg, hauling goods for the Brunswick People. His account book dated 1783-1816 records all these transactions, throws a great light on commercial transportation of that time, and gives valuable genealogical material concerning the inhabitants of Brunswick.

From this book I copy the following Bible records:

Nancy Hicks was born the 11th day of April 1764 and died the 3d of June 1802.
