ROSTER OF "FIRST KENTUCKY ANCESTORS"

Members of the Kentucky Historical Society are encouraged to provide data concerning the first of their ancestors to have been born in Kentucky or to have come here to settle. Whenever your "first Kentucky ancestor" was born or came to Kentucky--in 1774 or 1904--we wish to include them on this roster of notable Kentuckians. When you answer this roll call, remember to give your name (and address, if you wish to correspond with other researchers and "cousins"). Please provide the following information as it applies to your first Kentucky ancestor: full name of your first Kentucky ancestor; place and date of her or his birth (place and date of immigration); primary place of residence or settlement in Kentucky; date and place of death and burial; full name of spouse (his or her places and dates of birth, death, burial); date and place of their marriage; names and "dates and places" of the parents of the first Kentucky ancestor and of the ancestor's spouse; the name, spouse, dates and places of the child (of the first Kentucky ancestor) from whom you descend, and of that child's spouse and his or her parents. (Consult the following entries as examples.)
