RE : War of 1812 Pension Index, GRA Search #0508, searching for William Hicks

We have located the following individual in the War of 1812 Pension and Bounty Land Index who most closely corresponded to the information provided in your request. With this information, the entire War of 1812 Pension Packet available at the National Archives may be ordered through GRA Look-up Services as #0510 War of 1812 Pension Papers.

In order to qualify for a pension or bounty land in the War of 1812, certain information was required such as age, place of residence at time of service, who the individual served under, if married or not and the name of the spouse, proof of marriage if the applicant was a spouse, and much more. Always order the complete packet to obtain all the clues available on the individual and many of those who associated with him. Some packets contain over 100 pages. You will be charged for the number of pages in the packet as explained in the catalog and on the Web Site at www.familytreemaker.com.

For your convenience, we have included a list of our other Record Lookup Services. We appreciate the opportunity of serving you in your own great "Ancestral Hunt".
