Death of a Bright Little Boy

The heavenly gates stood ajar and the angels waited the spirit of precious little Robert Edward hicks to the realms of the heavenly home on Wednesday evening, May 4, 1926, at 6 p.m.

Little "Robbie," as he was so tenderly and sweetly called in the home by his loved ones, was the youngest child of James and Lucy Tingle Hicks, and was born November 11, 1920. [He was actually born November 11, 1919.] As he was only six years old and the baby of the home of father, mother, two sisters and five brothers, he was the life joy and pet of the home of the home, and his death is an overwhelming sorrow for his loved ones.

He was taken critically ill about five weeks ago with nephritis in a dropsical form, and his sufferings were intense at times, but the dear little boy bore them gently and patiently. All that is fond parents and loved ones with the physician's skill, could do, was done, but of no avail and the Master transplanted this beautiful little flower to the heavenly garden to live with Him.

The funeral was held at the home of his parents Friday, May 7 at 10 o'clock; conducted by Rev. C. P. Pilow, with a comforting message from the words of Jesus, "Suffer little children to come unto me, for of such as these is the Kingdom of Heaven," and a few comforting words from the grief of David for his child after the beautiful little body, in its lovely white casket, was laid to rest in the cemetery at Port Royal.

Week not, fond parents as those who have not hope, but like David, the Psalmist, arise from they grief and say, "He cannot come back to me, but will go unto him."

May God bless and comfort all the loved ones and guide them until they also will enter the heavenly gate-way.

"This tender little flower was sent from Heaven above,
Precious, dainty, to cherish and love,
but angles looking down on this little flower to rare,
Whispered, "Flowers like these must blossom in Heaven's
garden so fair."

So they tenderly gathered little Robert Edward home to this garden, free from sorrow and strife of this life.

The following were here Friday to attend the funeral of little Robert Edward Hicks: Mrs. Clarence Washburn and children, of Cincinnati; Mr. Tingle and sister, of Port Royal; Mrs. Orvie Calvert and Harry Bishop, of English, and Riley Hicks, of Louisville.

4. **Rice Hicks** was born on Sunday, March 01, 1829, in Jessamine Co., Kentucky. He was the son of William Hicks Jr. (8) and Rebecca Alcorn (9).

Rice died in Carroll Co. on April 19, 1915, at the age of 86. He was buried at Port Royal Cemetery (unmarked) in Port Royal, Henry Co..

Rice Hicks

Rice Hicks, son of William and Rebecca (Alcorn) Hicks appears in the 1850 census in Gallatin County, Kentucky, as age 16, a son of William Hicks, 60, and his wife Rebecca. Rebecca is the Rebecca Alcorn shown in the marriage bond dated 10 January 1815, Fayette County, Kentucky. Rice Hicks married Harriett Ann Swango (also a descendant of Abraham Swango - click here to see how) on 6 April 1859 in Gallatin County, Kentucky, per their marriage license and marriage certificate.

The death certificate of Rice Hicks, dated 19 April 1915, shows his death in Jessamine County, Kentucky. His father is correctly identified as "William Hicks", but his mother is listed as "Rebecca West". The informant confused her middle name for her maiden. The War of 1812 Pension Application for William Hicks (Jr.) indicates "Rebecca Alcorn" as the widow of William Hicks, and combined with the early Marriage Bond,

proves that Rebecca was the wife of William throughout the marriage, and was, indeed, the mother of Rice.

Carrollton, Ky., Nov. 20. --- (Special.) --- The body of Harvey Hicks, who so mysteriously disappeared, was found in the Little Kentucky river Saturday night. This will exonerate his companion, Phillips, who was under arrest for his murder. Both were drunk, and it is supposed Hicks fell off his horse in attempting to cross the stream.

There is a Alva Lee Dunaway whose wife was L. Della. Some researchers have Alva Lee being the wife of Lillie and Lillie's full name as Lillie Della. This is a separate family. This Alva Lee was living in 1930. The Lego Dunaway who was married to Lillie Tingle clearly died in 1918.

3rd Generation

Family of William Hicks and Rebecca Alcorn

- 8. William Hicks Jr.** was born on Thursday, December 04, 1794, in Jessamine Co., Kentucky. He was the son of William Hicks (16) and Mary Swango (17).

William died in Gallatin Co. on March 12, 1868, at the age of 73.

William Hicks, Jr. was the son of William and Mary (Swango) Hicks. William, Jr. and Rebecca owned two and one-half acres of land in Jessamine Co., KY and this is where his mother had lived. William, Jr. and Rebecca lived in Fayette, Gallatin, Jessamine and Harrison Counties, KY. William, Jr. served in the War of 1812 from August 1812 until November 1813, under the name William Hix. He served in the Captain Wyatt's Company, 1st Regiment of Kentucky Mounted Volunteer Militia, commanded by George Trotter in 1813, as a private.

William married Rebecca Alcorn, daughter of Robert Alcorn and Susannah Turpin, 12 Jan 1815 in Fayette County, Kentucky.

- 9.** William married **Rebecca Alcorn** on Thursday, January 12, 1815, in Fayette Co. They had six children.

Rebecca was born in Madison Co. between 1797 and 1798. She was the daughter of Robert Alcorn (18) and Susannah Turpin (19).

Rebecca died in Warsaw, Gallatin Co., on July 17, 1875.

The Alcorn family came to America prior to 1680. The earliest records are found of a John Alcorn, who immigrated to Philadelphia, PA, from Ulster, Ireland.

Children of William Hicks Jr. and Rebecca Alcorn:

- m I. **Alfred Hicks** was born in Kentucky on February 10, 1812. He died in Stilesville, Hendricks Co., Indiana, on July 09, 1885, at the age of 73. Alfred was buried at Union Chapel Cemetery in Morton, Putnam Co..
- f II. **Mary Ellen Hicks** was born in Kentucky on January 01, 1824. She died on March 27, 1890, at the age of 66. Mary Ellen was buried at Ghent Masonic Cemetery in Ghent, Carroll Co., Kentucky.

Mary Ellen Hicks appears as "Mary Hicks" on the death certificate of her daughter, Martha Baker Swango, along with Martha's father, John Baker. Mary Ellen Hicks, born circa 1824, appears named as the wife of John E. Baker in the 1850 census in Gallatin County, Kentucky. The marriage of Mary Ellen Hicks and John E. Baker in Jessamine County, Kentucky, took place on 19 December 1842.

John E. Baker was killed on 14 August 1864 as seen in the deposition of his great granddaughter, Dr. Elizabeth Kaspar. Dr. Kaspar possesses a number of family mementos left to her by her mother, Catherine Edith Baker Kaspar. Among them is a framed photograph of a white bearded man and a woman. It was taken, presumably, in the latter part of the nineteenth century, as is evidenced by the clothing and hair styles, which were customary for the era. On the back of the frame, and attached to it, is an aged piece of paper, on which is written "Uncle Rice Hicks and Aunt Harriett Dad's mother's brother and his wife [signed] Julia". In another handwriting, obviously made later, are the markings "A. M. Baker" written over "Dad's" and "Mary Ellen Hicks" written over "mother's".

Rice Hicks appears in the 1850 census in Gallatin County, Kentucky, as age 16, a son of William Hicks, 60, and his wife Rebecca. Rebecca is the Rebecca Alcorn shown in the marriage bond dated 10 January 1815, Fayette County, Kentucky. Rice Hicks marries Harriett Ann Swango on 6 April 1859 in Gallatin County, Kentucky, per their marriage

license and marriage certificate. Thus, this is the "Harriett" identified in the photograph.

The signature can be identified as Julia Baker, a granddaughter of Mary Ellen Hicks, and the daughter of Alexander Marshall ("A. M. Baker") Baker. The 1920 census in Louisville, Ward 3, Jefferson County, Kentucky shows Alexander Baker, his wife, Mary, and his daughter Julia, then 23. Alexander Marshall Baker appears, as well, in the 1860 census along with his sister, Martha, in Gallatin County, Kentucky.

The death certificate of Rice Hicks, dated 19 April 1915, shows his death in Jessamine County, Kentucky. His father is correctly identified as "William Hicks", but his mother is listed as "Rebecca West". The informant confused her middle name for her surname. The War of 1812 Pension Application for William Hicks (Jr.) indicates "Rebecca Alcorn" as the widow of William Hicks, and combined with the early Marriage Bond, proves that Rebecca was the wife of William throughout the marriage, and was, indeed, the mother of Rice.

Julia is identified in the graves of Resthaven Cemetery in Louisville, Kentucky as "Baker, Mattie Julia, 1894-1987, daughter of Alexander". Many of the Baker family are buried here.

Julia, born in 1894, would have been 21 at the death of her great uncle, Rice Hicks, and was therefore one of his contemporaries living in the same state relatively near him.

Despite the fact that the 1840 census in Jessamine County, Kentucky does not show the names of the members of the household of William Hicks, there are two females listed in the 16 to 20 age bracket, the same age bracket as Mary Ellen Hicks would have been in 1840.

Rice

Rice Hicks, son of William and Rebecca (Alcorn) Hicks appears in the 1850 census in Gallatin County, Kentucky, as age 16, a son of William Hicks, 60, and his wife Rebecca. Rebecca is the Rebecca Alcorn shown in the marriage bond dated 10 January 1815, Fayette County, Kentucky. Rice Hicks married Harriett Ann Swango (also a descendant of Abraham Swango - [click here to see how](#)) on 6 April 1859 in Gallatin County, Kentucky, per their marriage license and marriage certificate.

The death certificate of Rice Hicks, dated 19 April 1915, shows his death in Jessamine County, Kentucky. His father is correctly identified as "William Hicks", but his mother is listed as "Rebecca West". The informant confused her middle name for her maiden. The War of 1812 Pension Application for William Hicks (Jr.) indicates "Rebecca Alcorn" as the widow of William Hicks, and combined with the early Marriage Bond, proves that Rebecca was the wife of William throughout the marriage, and was, indeed, the mother of Rice.

4th Generation

Family of William Hicks and Mary Swango

- 16. William Hicks** was born in 1755 in Virginia. He died in Garrard Co., Kentucky, on December 19, 1822, at the age of 67.

William and Mary (Swango) Hicks

William Hicks was born in 1755 in Virginia. While living in Virginia, he married Mary Swango on 2 January 1784. William Hicks died 19 Dec 1822 in Garrard County, Kentucky. Mary was born about. 1763/65 and died 24 Aug 1847 in Jessamine County, Kentucky. No cemetery record for Mary or William has been found in Jessamine County, Kentucky. William Hicks is listed on the 1810 census of Garrard County, Kentucky. William Hicks was not listed on the first census of Kentucky.

The Revolutionary War Pension Application

The Revolutionary War Pension Application (Pension Claim # 8931) of William Hicks contains a lot of information about William and his family. In June of 1818 William Hicks, aged about 62, stated under oath that he enlisted in the 12th Virginia Regiment, a continental establishment in Captain William McKee's Company under the command of Col. James Woods, on or along the 25 day of September 1776, for the term of two years and served out his time in the corps at the mouth of the Great Kanawha, and was regularly discharged in the fall of the year in 1778. He also stated that sometime in the year 1780 he again engaged in the second Virginia Regiment attachment under Col. Samuel Hawes and in Capt. Frank Cowherd's company and served the time of eighteen months and was discharged from the same on the 17 January 1782.

William's pension application gives the name of his wife as Mary "Swanger." Her maiden name was almost certainly Swango since there

were no Swangers in Virginia at the time, but there were Swangos in the area. Mary allowed pension on her application executed 19 Nov. 1838. She was then a resident of Jessamine County, Kentucky, aged seventy-two years. An official report on file shows that she died 22 August 1847, in Jessamine County, Kentucky. In November of 1838,

Suffiah Combs, a daughter of the William and wife Mary, was a resident of Jessamine County, Kentucky. Suffiah was born 20 September 1790, and was the parent's fourth child. Her husband, Edward Combs, died in Oct. 1825.

The names and dates of the other children were shown: the first child, name not given, died when about 3 months old; Moses the next child, was born 7 Sept. 1786, Abraham was born 30th Oct. 1788; Samuel was born 16 Jan 1792; William was born 4 Dec 1794; Abigail was born 20 May 1796.

According to correspondence in the pension file, Mary was living with here son William in Jessamine County, Kentucky in 1845.

Deposition of Suffiah Combs

The deposition of Suffiah Combs of Jessamine County, Kentucky, taken at her residence, on 07 May 1839, was used as evidence in the favor of the application of Mary, widow of William Hicks for a pension under the act of congress passed July 7, 1838. Suffiah was forty-eight years old on the 20th day of September and the fourth child of William Hicks and Mary Hicks. She states that her mother's maiden name was "Mary Swanger." (See more about this elsewhere in this article.)

She further stated that she had her father's old pocket book, which was in her possession, and which contained the family register of the marriage of her father and mother and the ages of their children-said register occupying two pages. The handwriting was that of the deponent's father and had been there since the deponent's earliest collection.

The pocket book listed the date of William and Mary's marriage and the names and dates of birth of all their children, except for their first child who died at the about the age of three months old.

- 17.** William married **Mary Swango** on Friday, January 02, 1784, in probably Virginia. They had eight children.

Mary was born in 1766. She was the daughter of Abraham Swango (34) and Ailsie Pyles (35).

Mary reached 81 years of age and died in Jessamine Co., Kentucky, on August 24, 1847.

Mary was the granddaughter of William Swango and the daughter of Abraham Swango. Abraham Swango had a daughter referred to as Mariah who was born about the same time. Her name is listed in William Hicks' Revolutionary War pension papers as "Swanger". William Hicks was recruited for the Revolutionary War by Hugh Stephenson in Bullskin creek section of 7 May 1839.

William Hicks was recruited for the Revolutionary War by Hugh Stephenson in Bullskin creek section of Berkeley County, Virginia, now Jefferson County, West Virginia which is the same area that Hugh Stephenson and the Swangos lived and therefore lived near enough to Abraham Swango to have known his daughter, Mary/Mariah. William only had two other known children: Isaac and William. Nothing is known of their descendants. The spelling of Mary's maiden name is listed as "Swanger" in her husband's Revolutionary War pension papers and her father's last name is listed as "Swanger" in a lease of land from George Washington. There were Swangers living in this country at the same time, but none near the same area as Abraham Swango. It is possible that the family name was Swanger, but it is more likely that Swanger was simply a misspelling of an uncommon name. Descendants now use the spelling "Swango."

Family of John Meek and Temperance Louden

30. John Meek was born about 1789 in South Carolina. He was the son of Basil Meek (60) and Sarah _____ (61).

John died in Benton Twp., Holt Co., Missouri, on December 27, 1869, at the age of 80. He was buried at Baldwin Cemetery in Holt Co..

Dr. MEEK, one of the oldest physicians in Holt Co., started practice in Mound City when the town consisted of a store, blacksmith shop and a single dwelling-house. His father, John MEEK, was born in South Carolina and, when 4 years old, moved with his father to Duck River near Nashville, Tenn., and when 18 came to Kentucky. He married Temperance LOUDON, whose family was from Virginia and whose grandfather was one of the pioneer settlers of Kentucky, and gave his name to Loudon's Station, one of the earliest settled places in the state. Dr. MEEK was born in Henry Co., Kentucky on April 22, 1826, being the sixth of ten children. He was raised in Henry Co.; the ordinary subscription schools afforded his means of obtaining an education.

His father moved the family to Mo. in 1852, settling in Holt Co. a mile-and-a-half southeast of Mound City. Dr. MEEK began his studies of medicine in 1856 with Dr. Jabez ROBINSON, a practicing physician of Oregon. He afterward attended lectures at the St. Louis Medical College under Dr. Charles A. POPE and graduated in the spring of 1857; he established his practice in Mound City later that year. On April 19, 1860 he married Elizabeth A. SHARPE, the daughter of William SHARPE, one of the earliest pioneers of Union township, after whom and his brother, Sharp's Grove received its name.

Dr. MEEK practiced in Clay Co., Ill. from spring 1865 to Oct. 1866, but otherwise has been residing all the time in Holt Co. He resided in Craig

from March 1869 to March 1873, but returned to Mound City and resumed practice at the place where he first began his professional career. He is regarded as an excellent physician and is highly respected for his civic qualities. He has had four children: John W., now deceased; Gertrude; Leonidas S.; and Francis C.

Dr. MEEK has always been a member of the Democratic party and cast his first vote for President for James Buchanan in 1856. He became connected with the Masonic fraternity in 1854 and is one of the oldest Masons in the county. He originally belonged to the Oregon lodge, has been a charter member of three different lodges, and is now a member of the Mound City lodge. For ten years, Dr. MEEK practiced medicine at Mound City without a rival and was the only physician in that part of the county. He erected a brick dwelling-house in Mound City which at the time was considered quite a wonder for the elegance of its appearance, there at the time having been no such building constructed in that part of the county.

- 31.** John married **Temperance Louden** on Friday, September 16, 1808, in Henry Co., Kentucky. They had ten children.

Temperance was born in Virginia about 1790. She was the daughter of Robert Louden (62) and Elizabeth Wilson (63).

Temperance reached 55 years of age and died in Henry Co., Kentucky, on July 31, 1845.

The parents of Temperance are a total guess at this point. I have also seen her father listed as Barry Louden, but I have not found any records to support this.

5th Generation

Family of Abraham Swango and Ailsie Pyles

- 34. Abraham Swango** was born in 1730 in Bavaria, Germany. He was the son of William Swango (68).

Abraham worked as a Wagon maker. He died in Warsaw, Gallatin Co., Kentucky, on March 18, 1785, at the age of 55. Abraham was buried at near in Warsaw.

Tradition has it that William Swango, his wife and sons, migrated from Germany, on "The Saint Andrew" ship on 20 October 1747. The ship's sailing originated in Rotterdam, Holland via Leith, Scotand and was captained by James Abercrombie. Jacob, son of William, signed the oath of allegiance as "Jacob Schwanger." Further tradition has it that William's wife died on the journey to America and was buried at sea. William and Abraham landed at Philadelphia, Pennsylvania and shortly after thereafter, William died. Jacob Schwanger who immigrated in 1747 is not our Swango Family. Annette Kunselman Burgert in her book Eighteenth Century Emigrants from the Northern Alsace to America has a more detail listing of passengers on that ship.

Other passengers on the ship (unnamed in Ms. Burgert's book) that arrived on October 20, 1747 were his wife, Maria Leyenberger Schwanger of Hellgering and children Johann Peter (born "29 May 1740), Maria Magdalena (born 1 Jan 1742), Jacob (born 5 May 1743), Isaac (born 25 Nov 1744) and Catharina (born 19 Oct 1746). This listing is based on church records in Germany. Ms. Burgert's book also goes on to add information from church records after they arrived in Philadelphia. Jacob and his wife had a daughter Anna Maria baptized 22 Oct 1749, a daughter Eva Elizabeth born 26 Aug 1751 and baptized 4 Nov. 1751, and a son Abraham born 16 Feb 1757 and baptisted 20 Mar 1757.

An Abraham Swanger was listed in the 1782 Virginia tax list along with his brother Jacob in Berkeley County (now Jefferson Co. West Virginia.). Source: Virginia Tax Payers 1782-1787 Other than those Published by

the United States Census Bureau, by Augusta B. Fothergill and John Mark Naugle, Richmond, Virginia: 1940, page 122). Other researchers have assumed this is Abraham and Jacob Swango. It is probably not. The surnames Swanger and Swango were two distinct surnames by this period of time. These two brothers are probably the sons of the Jacob Schwanger who arrived in Philadelphia on October 20, 1747 via Rotterdam discussed above.

The name Swango has been anglicized from the German name Schwangau, which means "swan land" and is probably taken from Schwangau, Bavaria, Germany. The name Swango is not interchangeable with Swanger which was anglicized from the German name Schwanger.

By tradition, Abraham, only 14 years of age when he arrived, was apprenticed to a wagon maker, whom he served until age 21. He became a wagon maker by trade.

I have found no evidence that Abraham's father was William or that he had brothers Isaac and Jacob. Based on long standing family tradition I have included them in this listing. Other researchers have provided that Abraham's mother was Mary Agnes Oesing. I have found nothing to support this.

In 1760, Abraham married Ailsie Pyle in the Old Swedes Church in Wilmington, Delaware. Ailsie was born in Ireland and lived in the Mt. Vernon neighborhood at the time of her marriage to Abraham. In both Pennsylvania and Virginia, Abraham has Pyle neighbors. His wife, Alisie Pyle was a Quaker, as evidenced by some records in both Pennsylvania and Virginia. She probably is the descendant of the Pyle family that came from England with William Penn.

Abraham and Ailsie lived in Frederick County, Virginia after their marriage. In 1769 he signed the lease with George Washington for property in Frederick County, Virginia. (Source: Frederick County, Virginia Deed Book Series, Volume 4, Deed Books 12, 13, 14, 1767-1771, by Ameila C. Gilreath, Willow Bend Books, Westminster, Maryland, 2001, page 86). The lease called for building of buildings, clearing of land, setting fruit trees all according to a plan laid down by Washington. George Washington considered Germans as the finest of farmers and therefore he had a rather large number of them on his various land holdings throughout Virginia.

Abraham migrated to Kentucky around 1785 with Ailsie and their four sons and three daughters. Samuel, Abraham and Ailsie's oldest son,

stopped in the area of Red River, present Powell County, because of the excellent hunting. The remainder of the family, including their son James who we are descended from, moved on to near Lexington where they remained for two years. Then they migrated on to present Gallatin County, Kentucky where Abraham and Ailsie are both buried a short distance from Warsaw.

35. Abraham married **Ailsie Pyles** on Monday, April 14, 1760, in Wilmington, New Castle Co., Delaware. They had seven children.

Ailsie was born in Delaware about 1738. She reached 52 years of age and died in Gallatin Co., Kentucky, about 1790. Ailsie was buried at near in Warsaw, Gallatin Co..

Children of Abraham Swango and Ailsie Pyles:

+ 20 m I. **James Swango** was born in Kent Co. about 1762. He died in Gallatin Co., Kentucky, between 1825 and 1830.

James Swango, son of Abraham and Ailsie Pyles Swango, was born about 1762 in Kent County, Delaware and died in 1827 in Gallatin County, Kentucky. James Swango married Lydia (last name unknown at this time) about 1780. Lydia was born about 1760 in Virginia..

James Swango served in the Revolutionary War as a private in the Legion from the State of Delaware, commanded by Col Henry Lee. James enlisted before May of 1777. Following the war, James married; his wife died after 1825. Their first child was born in Virginia in 1783 before they started on the trail west. He settled near his parents near Warsaw in Gallatin County, Kentucky. He and his wife lived there the rest of their lives and reared their family there. Another letter was written about him being a wild and wooly individual and was once sentenced to hang at Lexington for the murder of a peddler. Before the time of execution another man on his death bed confessed to the crime and old Jim was pardoned..

- m II. **Samuel Swango** was born about 1765. Mt. Vernon, Virginia on farm owed by George Washington. He died in Morgan Co., Kentucky, about 1850 at the age of 85.

Samuel came to Kentucky in 1785, or about that date, and located on a farm in Fayette Co., now Powell Co., KY. He continued to reside there for about 25 years, when he moved to Wolfe Co., and died at an advanced age.

- + 17 f III. **Mary Swango** was born in 1766. She died in Jessamine Co., Kentucky, on August 24, 1847, at the age of 81.

Mary was the granddaughter of William Swango and the daughter of Abraham Swango. Abraham Swango had a daughter referred to as Mariah who was born about the same time. Her name is listed in William Hicks' Revolutionary War pension papers as "Swanger". William Hicks was recruited for the Revolutionary War by Hugh Stephenson in Bullskin creek section of 7 May 1839.

William Hicks was recruited for the Revolutionary War by Hugh Stephenson in Bullskin creek section of Berkeley County, Virginia, now Jefferson County, West Virginia which is the same area that Hugh Stephenson and the Swangos lived and therefore lived near enough to Abraham Swango to have known his daughter, Mary/Mariah. William only had two other known children: Isaac and William. Nothing is known of their descendants. The spelling of Mary's maiden name is listed as "Swanger" in her husband's Revolutionary War pension papers and her father's last name is listed as "Swanger" in a lease of land from George Washington. There were Swangers living in this country at the same time, but none near the same area as Abraham Swango. It is possible that the family name was Swanger, but it is more likely that Swanger was simply a misspelling of an uncommon name. Descendants now use the spelling "Swango."

- m IV. **Abraham Swango** was born in Mt. Vernon, Frederick Co., Virginia, about 1766. He died in Boone, Gallatin Co., Kentucky, in 1790 at the age of 24.

- f V. **Elizabeth Swango** was born about 1768.

- m VI. **William Swango** was born in Gallatin Co., Kentucky, about 1776. He died in Gallatin Co. after October 11, 1830. William was buried in Swango Cemetery, Gallatin Co.

+ 47 f VII. **Nancy Swango** was born in Virginia about 1783. She died in Gallatin Co., Kentucky, about 1851 at the age of 68.

Family of John Alcorn and Jane Breckenridge

36. John Alcorn was born in 1745 in Wythe Co., Virginia. He was the son of James Alcorn (72) and Jane _____ (73).

John served in the military between 1777 and 1778. Revolutionary War. He died at near in Fayette Co., Kentucky, after 1804.

The James Alcorn who married Jane Mills and the John Alcorn who married Jane Breckenridge were brothers. The above four lived in and owned land in what is now Botetourt Co., VA before moving to what is now Wythe Co., VA in the 1770's. James Allcorn bought 143 acres and 37.5 acres in Augusta Co., VA (now Botetourt Co.) in 1768 and 1769. the 143 acres from John and Mary Mills. James and Jinny Alcorn sold 180 acres (the combined 143 & 37.5 acres) in Botetourt in 1779. James Alcorn received a warrant for 50 acres in Montgomery Co., VA (now Wythe Co.) on Mac's Little Run, joining his own and John Miller and the Anchor & Hope Plantation on or near Reed Creek. The above warrant was in Montgomery Co., VA for service in the French and Indian War.

James Alcorn was killed in the Battle of Guilford Courthouse, NC in 1781 or the skirmishes that led up to that battle. His widow Jane and Charles Hutcherson were married in 1788 in Montgomery Co., VA by Rev. Richard Whitt and they later moved to Madison Co., KY.

John and Jane (Breckenridge) Alcorn also moved to Madison Co., KY as can be proven per Wythe Co., Va deeds. John Allcorn bought 120 acres in 1765 near where his brother James later lived in Augusta Co. (now Botetourt Co.), VA John and his wife, Jane (dau. of George and Ann (Doak) Breckenridge), sold their 120 acres in 1770. John Alcorn bought 201 acres on Lucas Creek, east of Wytheville, Montgomery Co. (now Wythe Co.) VA and near Anchor & Hope, in 1778. Now this is where Wythe Co. deeds were especially helpful. On 02 Sep 1782, Joh Allcorn, senior, sold 39 acres (of the 201 acres) on Reed Creek (Lucas Creek runs into Reed Creek) to John Alcorn, son of James Alcorn, deceased. John Miller also sold John (son of James, deceased) 44 acres on Lucas Creek on the same date. John (son of James) sold the 83 acres (39 + 44) on 06 Oct 1788. (This is the same year that Jane, James' widow got married and could have been about when they moved to Madison Co., KY).

John (son of James, deceased) had problems with the sale of the 83 acres. John had 1st gone to Madison Co., KY where he married Nancy Mounce, had 3 kids, divorced and went to Wilson Co., TN. He married 2nd, Prudence Hall. The above problem with the deed helped to locate John (son of James, deceased) as living in Wilson Co., TN in 1802. Wythe Co., VA Deed Book 3, pg 220, 23 Feb 1802: John Alcorn, clerk of the Wilson Co., TN Court, gave Robert Wilson, of Wythe Co., VA power of attorney to act in John's behalf on the 83 acres recorded on 03 Mar 1789. This document not only shows where John lived in 1802, but also

gives his occupation in 1802 as court clerk (a job he held for many years). There is a follow-up similar record in Deed Book 3, pg 231, 12 Mar 1802. Property descriptions are included. John lived in, raised his 2nd family in, and is buried in Wilson Co., TN.

John and Jane (Breckenridge) Allcorn of Madison Co., KY, sold 161 acres in Wythe Co., VA to John Miller of Wythe Co., VA. This was the balance of the above 201 acres after selling the above 39 acres to John (son of James, deceased). A problem developed on this property too. (Wythe Co., VA Deed Book 1, pgs 101-102, 210, and 295-296, 23 Aug 1792, 04 Dec 1793 and 12 Aug 1794). As John Alcorn and Jane his wife were living in Madison Co., KY, they gave Robert Breckenridge (probably Jane (Breckenridge) Alcorn's brother, who was living in Wythe Co., and later died in Bath Co., KY in 1814), power of attorney to act in their behalf on the 161 acres. Witnesses were George, James and John Allcorn (possibly John & Jane's sons). So John and Jane Allcorn also went to Madison Co., KY.

Below was taken from Gibson & Posey Indiana Counties: ROBERT ALCORN AND HIS DESCENDANTS, Compiled by Elsie Martin Alcorn and Lloyd C. Alcorn, Sr., J. Malvern Alcorn Written by Lloyd C. Alcorn, Sr.

John Alcorn actively participated in the affairs of Montgomery County, Virginia, for more than ten years, from 1770 to 1782.

John was born about 1734, perhaps in Virginia; his activities were being recorded in 1758 when he reported an Indian raid on his home. John was a soldier in the First Virginia Regiment during the Cherokee expedition in 1760. His activities as a land dealer, a soldier, and in the county civic operations were recorded in Fincastle, Botetourt, and Montgomery counties of southwest Virginia.

John married Jane Breckenridge, daughter of George Breckenridge and Ann Doakes about 1769. Jane was born about 1751. The Botetourt County records show John Alcorn and his wife, Jane, bought 120 acres of land on Looney's Creek on May the Second 1770 for £50. The records of May 5, 1773, show that the Court of Fincastle County, Virginia, assigned John Alcorn and others to assess the feasibility of building a proposed road in Fincastle County.

John took the oath of Ensign in the Virginia militia on May 5, 1778. He was assigned to Captain John Montgomery's company. This took place in the Court of Montgomery County, Virginia. On December 1, 1778

John Alcorn bought 201 acres of land in Montgomery County. John's name appeared on the docket of the grand jurors of Montgomery County on November 2, 1779. On May 3, 1780, John Alcorn, John Bethel, and others were awarded 40 acres each in the Montgomery County Court for army service under Colonel George Washington. The claimants were represented before the court by Patrick Henry.

On September 2, 1782, John Alcorn Sr., sold 39 acres of land on Reed's Creek, Montgomery County, Virginia, to John Alcorn, the son of James Alcorn. On the same day John, the son of James, bought 44 acres on Reed's Creek from John Mills, his grandfather.

According to the annals of South West Virginia, John Alcorn was certified as a lieutenant of the Virginia militia on November 28 1786. John moved his family to Madison County Kentucky about 1788. He was listed as a taxpayer of Madison County in 1789. In 1793 John gave Robert Breckenridge, his brother-in-law, power of attorney to dispose of property for him in Wythe County, Virginia. I believe this transaction was made to settle the estate of George Breckenridge.

The children of John and Jane were, I believe, John Jr.; George; Robert; and two or three daughters whom I have been unable to identify. The records list many Alcorn girls as having married from 1789 to 1799 in Mercer, Madison, Garrard, and Lincoln Counties, and it is hard to say whose children they were. John Jr. was born about 1770. He was shown as a taxpayer in Madison County in 1800. I think he moved to Mason County by 1810, and then to Jefferson County Indiana by 1820.

The Kentucky census of 1800 shows a Robert Alcorn as head of a family in Mercer County, a Robert Alcorn as head of a family in Garrard County, and a Robert Alcorn as head of a family in Jessamine County. I believe that the Robert in Garrard County was the son of John Alcorn Sr., that the Robert Alcorn in Mercer County was the son of Robert Alcorn Sr., who died in 1797, and that the Robert in Jessamine County could have been he son of William, George, or James.

The Kentucky census of 1800 also shows a George Alcorn in Madison County, and the 1810 census of Madison County shows a George Alcorn, a wife, and eight children. This George, I believe, was the son of John Alcorn Sr., and was probably named for his grandfather, George Breckenridge. The 1800 census of Kentucky also shows a George Alcorn

in Jessamine County as head of a family, and a George Alcorn in Pulaski County. One of these, I believe to be the George Alcorn who was born in Pee Dee, North Carolina in 1760; the other perhaps was his son.

The same census shows a James Alcorn as head of a family in Anderson County and a James Alcorn in Mercer County as head of a family. The James Alcorn in Mercer County was probably the son of Robert Alcorn Sr. The 1800 census shows a Thomas Alcorn in Madison County, and a William Alcorn as heads of families. William and Thomas, I believe were the sons of Robert Alcorn Sr.

John Alcorn Sr. was active in the formation of Garrard County in 1796, and was appointed a Justice of the County at the time.

- 37.** John married **Jane Breckenridge** in 1766 in Wythe Co., Virginia. They had eight children.

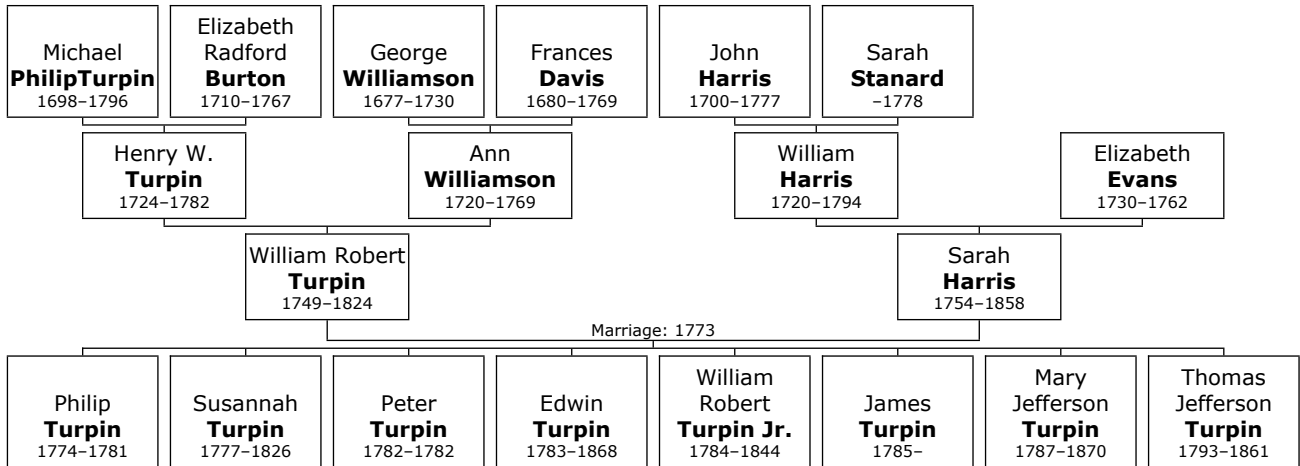

Jane was born in Augusta Co. about 1745. She was the daughter of George Breckenridge (74) and Ann Doak (75).

Jane died in Madison Co., Kentucky.

Family of William Turpin and Sarah Harris

38. William Robert Turpin was born in 1749 in Chesterfield Co., Virginia. He was the son of Henry W. Turpin (76) and Ann Williamson (77).

William Robert died in Henderson Co., Kentucky, on November 22, 1824, at the age of 75. He was buried at Panther Creek Baptist Church Cemetery in Whitesville, Daviess Co..

William Turpin was the proven father of Susannah Turpin Welch Alcorn. Problem is no one seems to know which William Turpin is her real father.

We know that William was alive as late as 23 May 1796 as he gave the clerk permission to issue a license for marriage of his daughter Susanna Welch to marry Robert Alcorn. .

William Turpin who left a will in 1816, Garrard County, Kentucky is not the father of our Susannah. Although this William Turpin did have a daughter named Susanna in his will this is not our Susannah for one main reason. The Susanna in his will is still single and proof of that is that he had 2 married daughters in 1816. If this Susannah was married she would have been referred to by her married name.

Still others have insisted that William Turpin who left a will dated 22 November 1824 is our William. This William states in his will he has 5 heirs, even naming his deceased daughter, but he has no daughter named Susannah. He even goes as far to name a deceased brother in his Will. There is no mention of a daughter named Susan/ Susannah etc or the married name Alcorn in this Will.

39. At the age of 24, William Robert married **Sarah Harris** on Monday, June 28, 1773, in Cumberland Co., Virginia, when she was 19 years old. They had eight children.

Family of Littleton Tingle and Mary _____

48. Littleton Tingle was born about 1766 at now Sussex Co., Delaware in Worcheser Co., Maryland. He was the son of Oliver Tingle (96).

Littleton died in Henry Co., Kentucky, on March 07, 1848, at the age of 82.

Littleton Tingle is no doubt a descendant of Hugh and Elizabeth Powell Tingle, but exactly how is not sure. Through a process of elimination Virginia Tolman, a long time Tingle researcher, has determined that it is likely that Littleton is a grandson of Samuel and Sarah (possibly Farwell) Tingle (son of Samuel and Sarah Cobb Tingle) and a son of Oliver. She feels fairly certain that Littleton and Jasper were brothers and that Littleton was a cousin of Thomas and John.

49. He married **Mary** _____. They had nine children.

Mary was born in Of Worchester Co., MD (now Sussex Co., Delaware), about 1770. She reached 73 years of age and died in Henry Co., Kentucky, on February 24, 1843.

Family of Elisha Bishop and Elizabeth Ellis

50. Elisha Bishop was born in 1760 in Anne Arundel Co., Maryland. He was the son of Thomas John Bishop (100) and Sarah Bouton (101).
 Elisha died in Henry Co., Kentucky, in 1809 at the age of 49.
 Elisha Bishop served in the Revolutionary War. He lived in Frederick County, VA when he entered the service in Berkeley Co., VA, as a

substitute for his father Thomas Bishop' in March 1777; under Captain Thomas Catlett for a tour of six months. He served with his brother Solomon Bishop. When they were discharged Solomon returned home but Elisha reenlisted and remained in New Jersey with his Company. He served under Captain Catlett for 2 years according to the records and was discharged Sept 1779. He was in the battle of Stoney Point, NY and the expedition of Paulus Hook, N.J.

In 1780 he moved to that area of Virginia which later became Woodford Co., Kentucky.⁹ In March 1781 he enlisted for a tour of 6 months under Captain Berry as a private against the Indians. In September 1782 he again enlisted for a tour of 6 months under Captain Callaway as a scout and a spy against the Indians.

Those persons who signed with him were his neighbors Charles Hughley and William McCracken. William McCracken was his brother-in-law having married Elizabeth's younger sister, Lindsey Ellis 28 Jul 1800 in Woodford Co. At the time of his application, there was no clergyman in the neighborhood where he was living although he was a member of the Baptist Church. Other persons who gave affidavits were Thomas Smith, whose brother George had served with Elisha. Mary Smith wife of Thomas, states that Elisha visited her father's home in Frederick Co., VA, while on furlough. Stephen Bowen, Francis E. Skidmore and Elisabeth Skidmore all state in 1833 that Elisha Bishop was a member of the Baptist Church for the last 20 years.

He received a land Warrant for his services in the Revolutionary War.

He married 13 Apr 1786 to Elizabeth Ellis daughter of William Ellis and Caroline Hancock in Frederick Co., VA.

In 1799/1800 he moved from Woodford Co. to Clark Co., KY, where his brothers Benjamin and Thomas Bishop were living. Benjamin married Elizabeth Ballard in Clark County. His brother Michael was living in Henry County as well as the Ellises who had moved from Woodford County to Henry County. Michael finally persuaded his brothers to move from Clark County to Henry County, which they all did in 1806. Elisha Bishop could not read or write but he was still a shrewd business man investing in land in Henry County with relatives and friends and he was a neighbor of Littleton Tingle. Due to the lack of schools available in early Henry County, he along with Littleton Tingle hired a tutor to teach their combined families in which all of their children learned to read and write. He had the help of his sons-in-law Edward Tingle, John Tingle, Henry Suddeth, nephews Jonathan Ellis,

William Ellis and others when it came to matters of business as co-signers on mortgages, etc. Due to a funny Kentucky law, deeds on land do not have to be recorded unless the land goes out of the family; then the deed -must be recorded. Sometimes families will go ahead and record the deeds but not always. For example Elisha Bishop either sold or gave to his son Elisha Bishop Jr a tract of land, there is no deed but in 1828, Elisha Bishop Jr. took out a mortgage and the mortgage states "a certain tract of land conveyed to him by Elisha Bishop Senr." Number of acres not given. I know that Elisha Bishop purchased along with others 9000 acres and Elisha's share would be over 1000 acres plus his warrant. I've only found one deed on that land when Elisha Bishop sold 175 acres to his son-in-law John Tingle. When I was in Kentucky in 1970, I visited with a distant-relative and he was living on 100 acres that he received from his mother who had received it from her father who gave each of his 10 children 100 acres each. No deeds on the land but I know that both of his great-grandfathers were Littleton Tingle and Elisha Bishop and both of them had purchased large tracts of land-but not together.

Elisha Bishop died in either late 1843 or early 1844.

Sarah was born about 1750. She died in Henry Co. after 1840.

+ 30 m I. **John Meek** was born in South Carolina about 1789. He died in Benton Twp., Holt Co., Missouri, on December 27, 1869, at the age of 80.

Dr. MEEK, one of the oldest physicians in Holt Co., started practice in Mound City when the town consisted of a store, blacksmith shop and a single dwelling-house. His father, John MEEK, was born in South Carolina and, when 4 years old, moved with his father to Duck River near Nashville, Tenn., and when 18 came to Kentucky. He married Temperance LOUDON, whose family was from Virginia and whose grandfather was one of the pioneer settlers of Kentucky, and gave his name to Loudon's Station, one of the earliest settled places in the state. Dr. MEEK was born in Henry Co., Kentucky on April 22, 1826, being the sixth of ten children. He was raised in Henry Co.; the ordinary subscription schools afforded his means of obtaining an education.

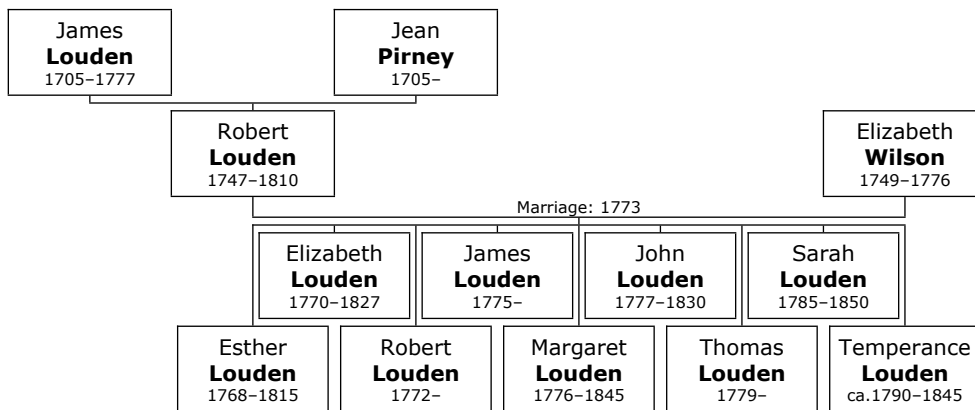

His father moved the family to Mo. in 1852, settling in Holt Co. a mile-and-a-half southeast of Mound City. Dr. MEEK began his studies of medicine in 1856 with Dr. Jabez ROBINSON, a practicing physician of Oregon. He afterward attended lectures at the St. Louis Medical College under Dr. Charles A. POPE and graduated in the spring of 1857; he established his practice in Mound City later that year. On April 19, 1860 he married Elizabeth A. SHARPE, the daughter of William SHARPE, one of the earliest pioneers of Union township, after whom and his brother, Sharp's Grove received its name.

Dr. MEEK practiced in Clay Co., Ill. from spring 1865 to Oct. 1866, but otherwise has been residing all the time in Holt Co. He resided in Craig from March 1869 to March 1873, but returned to Mound City and resumed practice at the place where he first began his professional career. He is regarded as an excellent physician and is highly respected for his civic qualities. He has had four children: John W., now deceased; Gertrude; Leonidas S.; and Francis C.

Dr. MEEK has always been a member of the Democratic party and cast his first vote for President for James Buchanan in 1856. He became connected with the Masonic

fraternity in 1854 and is one of the oldest Masons in the county. He originally belonged to the Oregon lodge, has been a charter member of three different lodges, and is now a member of the Mound City lodge. For ten years, Dr. MEEK practiced medicine at Mound City without a rival and was the only physician in that part of the county. He erected a brick dwelling-house in Mound City which at the time was considered quite a wonder for the elegance of its appearance, there at the time having been no such building constructed in that part of the county.

The parents of Temperance are a total guess at this point. I have also seen her father listed as Barry Louden, but I have not found any records to support this.

6th Generation

William Swango

68. William Swango was born in 1698 in Bavaria, Germany.

William Swango, his wife and son, Abraham immigrated from Germany around the year 1741. The name Swango is from the German name Schwangau, which means - swan land. William's wife died during their journey to America and was buried at sea. William and Abraham landed in Philadelphia, PA. Abraham was about 14 years old at the time and apprenticed as a wagon maker, which became his trade. Abraham and his wife Ailsie Pyle, who was born in Ireland, moved to Fredrick Co, Virginia, where he was a lessee of George Washington. He built buildings, cleared land and planted fruit trees. Abraham was a private during the Revolutionary War in the Virginia line. Abraham and his wife Ailsie are both buried near Warsaw, Gallatin Co, Kentucky.

Sons of William Swango:

+ 34 m I. **Abraham Swango** was born in Bavaria in 1730. He died in Warsaw, Gallatin Co., Kentucky, on March 18, 1785, at the age of 55.

Tradition has it that William Swango, his wife and sons, migrated from Germany, on "The Saint Andrew" ship on 20 October 1747. The ship's sailing originated in Rotterdam, Holland via Leith, Scotland and was captained by James Abercrombie. Jacob, son of William, signed the oath of allegiance as "Jacob Schwanger." Further tradition has it that William's wife died on the journey to America and was buried at sea. William and Abraham landed at Philadelphia, Pennsylvania and shortly after thereafter, William died. Jacob Schwanger who immigrated in 1747 is not our Swango Family. Annette Kunselman Burgert in her book Eighteenth Century Emigrants from the Northern Alsace to America has a more detail listing of passengers on that ship.

Other passengers on the ship (unnamed in Ms. Burgert's book) that arrived on October 20, 1747 were his wife, Maria Leyenberger Schwanger of Hellgering and children Johann Peter (born 29 May 1740), Maria Magdalena (born 1 Jan 1742), Jacob (born 5 May 1743), Isaac (born 25 Nov 1744) and Catharina (born 19 Oct 1746). This listing is based on church records in Germany. Ms. Burgert's book also goes on to add information from church records after

they arrived in Philadelphia. Jacob and his wife had a daughter Anna Maria baptized 22 Oct 1749, a daughter Eva Elizabeth born 26 Aug 1751 and baptized 4 Nov. 1751, and a son Abraham born 16 Feb 1757 and baptisted 20 Mar 1757.

An Abraham Swanger was listed in the 1782 Virginia tax list along with his brother Jacob in Berkeley County (now Jefferson Co. West Virginia.). Source: Virginia Tax Payers 1782-1787 Other than those Published by the United States Census Bureau, by Augusta B. Fothergill and John Mark Naugle, Richmond, Virginia: 1940, page 122). Other researchers have assumed this is Abraham and Jacob Swango. It is probably not. The surnames Swanger and Swango were two distinct surnames by this period of time. These two brothers are probably the sons of the Jacob Schwanger who arrived in Philadelphia on October 20, 1747 via Rotterdam discussed above.

The name Swango has been anglicized from the German name Schwangau, which means "swan land" and is probably taken from Schwangau, Bavaria, Germany. The name Swango is not interchangeable with Swanger which was anglicized from the German name Schwanger.

By tradition, Abraham, only 14 years of age when he arrived, was apprenticed to a wagon maker, whom he served until age 21. He became a wagon maker by trade.

I have found no evidence that Abraham's father was William or that he had brothers Isaac and Jacob. Based on long standing family tradition I have included them in this listing. Other researchers have provided that Abraham's mother was Mary Agnes Oesing. I have found nothing to support this.

In 1760, Abraham married Ailsie Pyle in the Old Swedes Church in Wilmington, Delaware. Ailsie was born in Ireland and lived in the Mt. Vernon neighborhood at the time of her marriage to Abraham. In both Pennsylvania and Virginia, Abraham has Pyle neighbors. His wife, Alisie Pyle was a Quaker, as evidenced by some records in both Pennsylvavania and Virginia. She probably is the descendant of the Pyle family that came from England with William

Penn.

Abraham and Ailsie lived in Frederick County, Virginia after their marriage. In 1769 he signed the lease with George Washington for property in Frederick County, Virginia. (Source: Frederick County, Virginia Deed Book Series, Volume 4, Deed Books 12, 13, 14, 1767-1771, by Ameila C. Gilreath, Willow Bend Books, Westminster, Maryland, 2001, page 86). The lease called for building of buildings, clearing of land, setting fruit trees all according to a plan laid down by Washington. George Washington considered Germans as the finest of farmers and therefore he had a rather large number of them on his various land holdings throughout Virginia.

Abraham migrated to Kentucky around 1785 with Ailsie and their four sons and three daughters. Samuel, Abraham and Ailsie's oldest son, stopped in the area of Red River, present Powell County, because of the excellent hunting. The remainder of the family, including their son James who we are descended from, moved on to near Lexington where they remained for two years. Then they migrated on to present Gallatin County, Kentucky where Abraham and Ailsie are both buried a short distance from Warsaw.

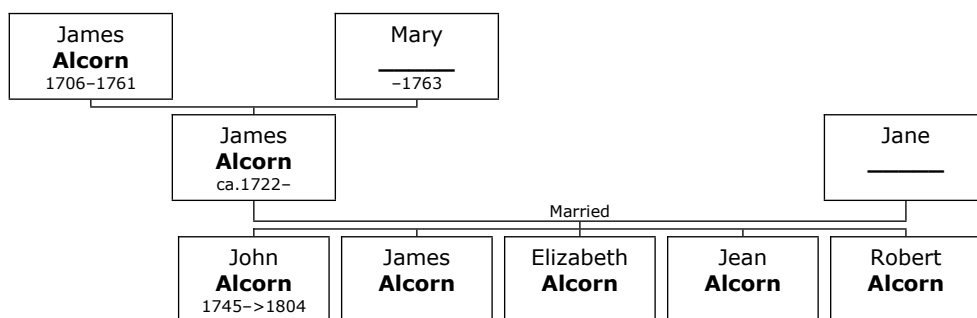

m II. **Jacob Swango** was born about 1730.

Jacob migrated from Germany, probably on "The Saint Andrew" ship on 20 October 1747, with his father William and bothers Abraham and Issac. The ship's sailing originated in Rotterdam, Holland via Leith, Scotand and was captained by James Abercrombie. Jacob signed the oath of allegiance as "Jacob Schwanger." Also listed as passengers traveling with Jacob were: Wife Schwanger, Maria Leyenberger; Child Schwanger, Johann Peter; Child Schwanger, Maria Magdalena; Child Schwanger, Isaac; Child Schwanger, Catharina; Child Schwanger, Jacob.

Family of James Alcorn and Jane _____

72. James Alcorn was born about 1722 in Cumberland Co, Pennsylvania. He was the son of James Alcorn (144) and Mary _____ (145).

James served in the military. French and Indian Wars.

73. He married **Jane** _____. They had five children.

Children of James Alcorn and Jane _____:

+ 36 m I. **John Alcorn** was born in Wythe Co., Virginia, in 1745. He died in Fayette Co., Kentucky, after 1804.

The James Alcorn who married Jane Mills and the John Alcorn who married Jane Breckenridge were brothers. The above four lived in and owned land in what is now Botetourt Co., VA before moving to what is now Wythe Co., VA in the 1770's. James Allcorn bought 143 acres and 37.5 acres in Augusta Co., VA (now Botetourt Co.) in 1768 and 1769. the 143 acres from John and Mary Mills. James and Jinny Alcorn sold 180 acres (the combined 143 & 37.5 acres) in Botetourt in 1779. James Alcorn received a warrant for 50 acres in Montgomery Co., VA (now Wythe Co.) on Mac's Little Run, joining his own and John Miller and the Anchor & Hope Plantation on or near Reed Creek. The above warrant was in Montgomery Co., VA for service in the French and Indian War.

James Alcorn was killed in the Battle of Guilford Courthouse, NC in 1781 or the skirmishes that led up to that battle. His widow Jane and Charles Hutcherson were married in 1788 in Montgomery Co., VA by Rev. Richard Whitt and they later moved to Madison Co., KY.

John and Jane (Breckenridge) Alcorn also moved to Madison Co., KY as can be proven per Wythe Co., Va deeds. John

Allcorn bought 120 acres in 1765 near where his brother James later lived in Augusta Co. (now Botetourt Co.), VA John and his wife, Jane (dau. of George and Ann (Doak) Breckenridge), sold their 120 acres in 1770. John Alcorn bought 201 acres on Lucas Creek, east of Wytheville, Montgomery Co. (now Wythe Co.) VA and near Anchor & Hope, in 1778. Now this is where Wythe Co. deeds were especially helpful. On 02 Sep 1782, Joh Allcorn, senior, sold 39 acres (of the 201 acres) on Reed Creek (Lucas Creek runs into Reed Creek) to John Alcorn, son of James Alcorn, deceased. John Miller also sold John (son of James, deceased) 44 acres on Lucas Creek on the same date. John (son of James) sold the 83 acres (39 + 44) on 06 Oct 1788. (This is the same year that Jane, James' widow got married and could have been about when they moved to Madison Co., KY).

John (son of James, deceased) had problems with the sale of the 83 acres. John had 1st gone to Madison Co., KY where he married Nancy Mounce, had 3 kids, divorced and went to Wilson Co., TN. He married 2nd, Prudence Hall. The above problem with the deed helped to locate John (son of James, deceased) as living in Wilson Co., TN in 1802. Wythe Co., VA Deed Book 3, pg 220, 23 Feb 1802: John Alcorn, clerk of the Wilson Co., TN Court, gave Robert Wilson, of Wythe Co., VA power of attorney to act in John's behalf on the 83 acres recorded on 03 Mar 1789. This document not only shows where John lived in 1802, but also gives his occupation in 1802 as court clerk (a job he held for many years). There is a follow-up similar record in Deed Book 3, pg 231, 12 Mar 1802. Property descriptions are included. John lived in, raised his 2nd family in, and is buried in Wilson Co., TN.

John and Jane (Breckenridge) Allcorn of Madison Co., KY, sold 161 acres in Wythe Co., VA to John Miller of Wythe Co., VA This was the balance of the above 201 acres after selling the above 39 acres to John (son of James, deceased). A problem developed on this property too. (Wythe Co., VA Deed Book 1, pgs 101-102, 210, and 295-296, 23 Aug 1792, 04 Dec 1793 and 12 Aug 1794). As John Alcorn and Jane his wife were living in Madison Co., KY, they gave Robert Breckenridge (probably Jane (Breckenridge) Alcorn's brother, who was living in Wythe

Co., and later died in Bath Co., KY in 1814), power of attorney to act in their behalf on the 161 acres. Witnesses were George, James and John Allcorn (possibly John & Jane's sons). So John and Jane Allcorn also went to Madison Co., KY.

Below was taken from Gibson & Posey Indiana Counties: ROBERT ALCORN AND HIS DESCENDANTS, Compiled by Elsie Martin Alcorn and Lloyd C. Alcorn, Sr., J. Malvern Alcorn Written by Lloyd C. Alcorn, Sr.

John Alcorn actively participated in the affairs of Montgomery County, Virginia, for more than ten years, from 1770 to 1782.

John was born about 1734, perhaps in Virginia; his activities were being recorded in 1758 when he reported an Indian raid on his home. John was a soldier in the First Virginia Regiment during the Cherokee expedition in 1760. His activities as a land dealer, a soldier, and in the county civic operations were recorded in Fincastle, Botetourt, and Montgomery counties of southwest Virginia.

John married Jane Breckenridge, daughter of George Breckenridge and Ann Doakes about 1769. Jane was born about 1751. The Botetourt County records show John Alcorn and his wife, Jane, bought 120 acres of land on Looney's Creek on May the Second 1770 for £50. The records of May 5, 1773, show that the Court of Fincastle County, Virginia, assigned John Alcorn and others to assess the feasibility of building a proposed road in Fincastle County.

John took the oath of Ensign in the Virginia militia on May 5, 1778. He was assigned to Captain John Montgomery's company. This took place in the Court of Montgomery County, Virginia. On December 1, 1778 John Alcorn bought 201 acres of land in Montgomery County. John's name appeared on the docket of the grand jurors of Montgomery County on November 2, 1779. On May 3, 1780, John Alcorn, John Bethel, and others were awarded 40 acres each in the Montgomery County Court for army service under Colonel George Washington. The claimants

were represented before the court by Patrick Henry.

On September 2, 1782, John Alcorn Sr., sold 39 acres of land on Reed's Creek, Montgomery County, Virginia, to John Alcorn, the son of James Alcorn. On the same day John, the son of James, bought 44 acres on Reed's Creek from John Mills, his grandfather.

According to the annals of South West Virginia, John Alcorn was certified as a lieutenant of the Virginia militia on November 28 1786. John moved his family to Madison County Kentucky about 1788. He was listed as a taxpayer of Madison County in 1789. In 1793 John gave Robert Breckenridge, his brother-in-law, power of attorney to dispose of property for him in Wythe County, Virginia. I believe this transaction was made to settle the estate of George Breckenridge.

The children of John and Jane were, I believe, John Jr.; George; Robert; and two or three daughters whom I have been unable to identify. The records list many Alcorn girls as having married from 1789 to 1799 in Mercer, Madison, Garrard, and Lincoln Counties, and it is hard to say whose children they were. John Jr. was born about 1770. He was shown as a taxpayer in Madison County in 1800. I think he moved to Mason County by 1810, and then to Jefferson County Indiana by 1820.

The Kentucky census of 1800 shows a Robert Alcorn as head of a family in Mercer County, a Robert Alcorn as head of a family in Garrard County, and a Robert Alcorn as head of a family in Jessamine County. I believe that the Robert in Garrard County was the son of John Alcorn Sr., that the Robert Alcorn in Mercer County was the son of Robert Alcorn Sr., who died in 1797, and that the Robert in Jessamine County could have been he son of William, George, or James.

The Kentucky census of 1800 also shows a George Alcorn in Madison County, and the 1810 census of Madison County shows a George Alcorn, a wife, and eight children. This George, I believe, was the son of John Alcorn Sr., and was probably named for his grandfather, George Breckenridge.

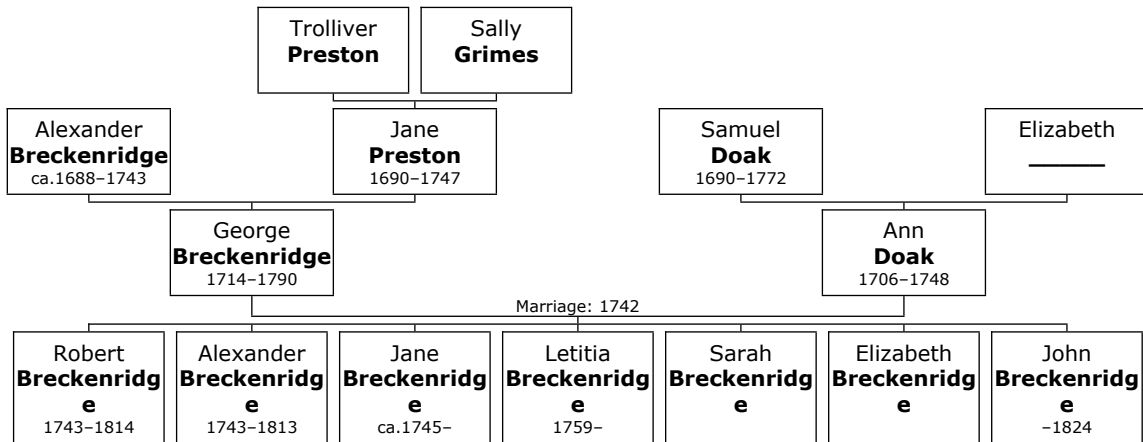

The 1800 census of Kentucky also shows a George Alcorn in Jessamine County as head of a family, and a George Alcorn in Pulaski County. One of these, I believe to be the George Alcorn who was born in Pee Dee, North Carolina in 1760; the other perhaps was his son.

The same census shows a James Alcorn as head of a family in Anderson County and a James Alcorn in Mercer County as head of a family. The James Alcorn in Mercer County was probably the son of Robert Alcorn Sr. The 1800 census shows a Thomas Alcorn in Madison County, and a William Alcorn as heads of families. William and Thomas, I believe were the sons of Robert Alcorn Sr.

John Alcorn Sr. was active in the formation of Garrard County in 1796, and was appointed a Justice of the County at the time.

+ 38 m III. **William Robert Turpin** was born in Chesterfield Co. in 1749. He died in Henderson Co., Kentucky, on November 22, 1824, at the age of 75.

William Turpin was the proven father of Susannah Turpin Welch Alcorn. Problem is no one seems to know which William Turpin is her real father.

We know that William was alive as late as 23 May 1796 as he gave the clerk permission to issue a license for marriage of his daughter Susanna Welch to marry Robert Alcorn. .

William Turpin who left a will in 1816, Garrard County, Kentucky is not the father of our Susannah. Although this William Turpin did have a daughter named Susanna in his will this is not our Susannah for one main reason. The Susanna in his will is still single and proof of that is that he had 2 married daughters in 1816. If this Susannah was married she would have been referred to by her married name.

Still others have insisted that William Turpin who left a will dated 22 November 1824 is our William. This William states in his will he has 5 heirs, even naming his deceased daughter, but he has no daughter named Susannah. He even goes as far to name a deceased brother in his Will. There is no mention of a daughter named Susan/ Susannah etc or the married name Alcorn in this Will.

Oliver Tingle

96. Oliver Tingle was born about 1740. He was the son of Samuel Tingle (192) and Sarah Farwell (193).

Oliver and Matthias appeared with their father on the tax records of Sussex Co., Delaware. Samuel appears on both the Maryland and Delaware tax records.

Sons of Oliver Tingle:

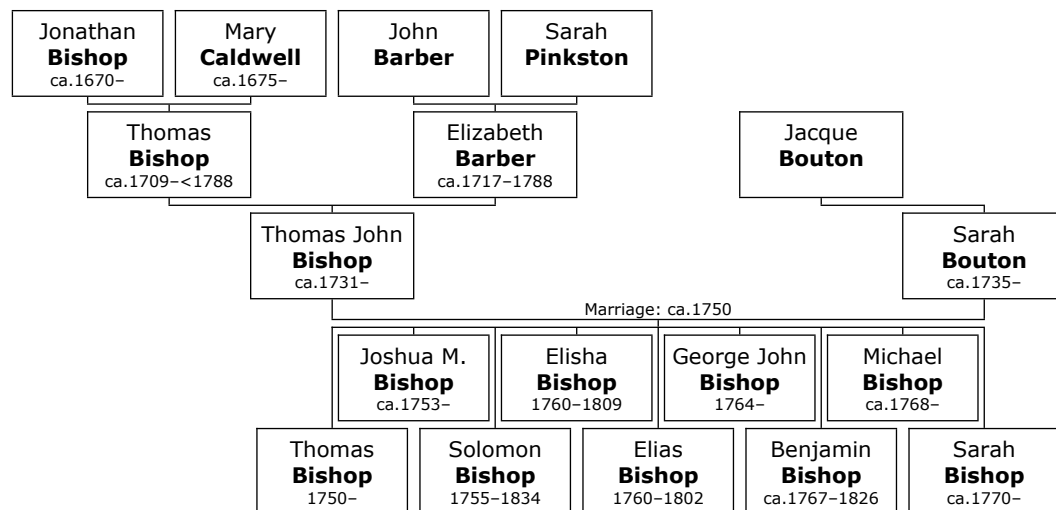

- m I. **Jasper Tingle** was born in Sussex Co., Delaware, about 1762. He died in Scott Co., Kentucky, in 1824 at the age of 62.

It is not certain that Jasper was the son of Oliver. It is certain that Jasper was a first cousin of Thomas who was the son of Thomas Farwell Tingle.

- + 48 m II. **Littleton Tingle** was born in Worcheser Co., Maryland, about 1766. He died in Henry Co., Kentucky, on March 07, 1848, at the age of 82.

Littleton Tingle is no doubt a descendant of Hugh and Elizabeth Powell Tingle, but exactly how is not sure. Through a process of elimination Virginia Tolman, a long time Tingle researcher, has determined that it is likely that Littleton is a grandson of Samuel and Sarah (possibly Farwell) Tingle (son of Samuel and Sarah Cobb Tingle) and a son of Oliver. She feels fairly certain that Littleton and Jasper were brothers and that Littleton was a cousin of Thomas and John.

Family of Thomas Bishop and Sarah Bouton

- 100. Thomas John Bishop** was born about 1731 in Anne Arundel Co., Maryland. He was the son of Thomas Bishop (200) and Elizabeth Barber (201).

Thomas John died in Berkeley Co., West Virginia.

Thomas John Bishop worked with his father, Thomas Bishop, who owned a lot of land. In the deed books Thomas John signs with his father on the

tobacco crops and other mortgages, as normally the oldest son inherits everything according to tradition and English law.

According to newspapers at the time, they were living on Elk Ridge in Anne Arundel Co., MD. Thomas died without a will before 1788 probably between 1782 and 1787. In June of 1788, Thomas John's mother deeds everything to the children of her deceased son Solomon Bishop. Solomon's wife was pregnant with Nimrod at this time and he was not mentioned in Elizabeth's deed of gift as an unborn child, so Elizabeth either ignored it or she didn't know as Nimrod is not mentioned. Thomas John Bishop packed up his family and moved to the Berkeley/Frederick County area of Virginia where he purchased land and started over sometime between 1782 and 1787.

- 101.** Thomas John married **Sarah Bouton** about 1750 in Maryland. They had nine children.

Sarah was born in Anne Arundel Co., Maryland, about 1735. She was the daughter of Jacque Bouton (202).

Children of Thomas John Bishop and Sarah Bouton:

- m I. **Thomas Bishop** was born between 1750 and 1760. He died in Gallatin Co., Kentucky.
Thomas and Margaret moved to Kentucky where they lived in Clark, Henry Carroll and Gallatin counties. They had 14 children.
- m II. **Joshua M. Bishop** was born about 1753.
- m III. **Solomon Bishop** was born in Anne Arundel Co., Maryland, in 1755. He died in Nelson Co., Kentucky, on December 03, 1834, at the age of 79.
Solomon and his wife, Catherine, moved to Nelson Co., KY, where they owned land, raised a large family of 12 children. He serviced in the Revolutionary War and applied for a pension.
- + 50 m IV. **Elisha Bishop** was born in Anne Arundel Co. in 1760. He died in Henry Co., Kentucky, in 1809 at the age of 49.
Elisha Bishop served in the Revolutionary War. He lived in Frederick County, VA when he entered the service in Berkeley Co., VA, as a substitute for his father Thomas

Bishop' in March 1777; under Captain Thomas Catlett for a tour of six months. He served with his brother Solomon Bishop. When they were discharged Solomon returned home but Elisha reenlisted and remained in New Jersey with his Company. He served under Captain Catlett for 2 years according to the records and was discharged Sept 1779. He was in the battle of Stoney Point, NY and the expedition of Paulus Hook, N.J.

In 1780 he moved to that area of Virginia which later became Woodford Co., Kentucky.⁹ In March 1781 he enlisted for a tour of 6 months under Captain Berry as a private against the Indians. In September 1782 he again enlisted for a tour of 6 months under Captain Callaway as a scout and a spy against the Indians.

Those persons who signed with him were his neighbors Charles Hughley and William McCracken. William McCracken was his brother-in-law having married Elizabeth's younger sister, Lindsey Ellis 28 Jul 1800 in Woodford Co. At the time of his application, there was no clergyman in the neighborhood where he was living although he was a member of the Baptist Church. Other persons who gave affidavits were Thomas Smith, whose brother George had served with Elisha. Mary Smith wife of Thomas, states that Elisha visited her father's home in Frederick Co., VA, while on furlough. Stephen Bowen, Francis E. Skidmore and Elisabeth Skidmore all state in 1833 that Elisha Bishop was a member of the Baptist Church for the last 20 years. He received a land Warrant for his services in the Revolutionary War.

He married 13 Apr 1786 to Elizabeth Ellis daughter of William Ellis and Caroline Hancock in Frederick Co., VA.

In 1799/1800 he moved from Woodford Co. to Clark Co., KY, where his brothers Benjamin and Thomas Bishop were living. Benjamin married Elizabeth Ballard in Clark County. His brother Michael was living in Henry County as well as the Ellises who had moved from Woodford County to Henry County. Michael finally persuaded his brothers to move from Clark County to Henry County, which they all did in 1806. Elisha Bishop could not read or write but he was still a shrewd business man investing in land in Henry County with

relatives and friends and he was a neighbor of Littleton Tingle. Due to the lack of schools available in early Henry County, he along with Littleton Tingle hired a tutor to teach their combined families in which all of their children learned to read and write. He had the help of his sons-in-law Edward Tingle, John Tingle, Henry Suddeth, nephews Jonathan Ellis,

William Ellis and others when it came to matters of business as co-signers on mortgages, etc. Due to a funny Kentucky law, deeds on land do not have to be recorded unless the land goes out of the family; then the deed -must be recorded. Sometimes families will go ahead and record the deeds but not always. For example Elisha Bishop either sold or gave to his son Elisha Bishop Jr a tract of land, there is no deed but in 1828, Elisha Bishop Jr. took out a mortgage and the mortgage states "a certain tract of land conveyed to him by Elisha Bishop Senr." Number of acres not given. I know that Elisha Bishop purchased along with others 9000 acres and Elisha's share would be over 1000 acres plus his warrant. I've only found one deed on that land when Elisha Bishop sold 175 acres to his son-in-law John Tingle. When I was in Kentucky in 1970, I visited with a distant-relative and he was living on 100 acres that he received from his mother who had received it from her father who gave each of his 10 children 100 acres each. No deeds on the land but I know that both of his great-grandfathers were Littleton Tingle and Elisha Bishop and both of them had purchased large tracts of land-but not together.

Elisha Bishop died in either late 1843 or early 1844.

Samuel died in Worcester Co., Maryland, on March 24, 1768, at the age of 61.

Samuel and Sarah had at least five children who were mention in a record pertaining to the distribution of funds by the court. Unfortunately, the children were not named in the record. Samuel died in 1768, at about age 55, in Worcester County, Maryland (formerly Somerset County). Sarah was appointed administratrix of the estate. The final accounting was filed in 1772. Sarah received her one-third interest and the balance was distributed to the five children. All of this was taking place at the time when Delaware and Maryland boundary dispute was being settled. The boundary became known as the Mason and Dixon line. Some the Tingle lands which had been in Worcester County, Maryland ended up in Sussex County, Delaware. [This was taken from notes of Jo Ann Rice who is a Tingle researcher.]

The grandchildren listed for Samuel and Sarah are correctly listed with the exception of Jasper who probably is a grandson but they may be incorrectly attached. According to Virginia Tolman, Jasper was not a son of Thomas Tingle. [Source: E-mails from Virginia Tolman]

Sarah reached 69 years of age and died in Worcester Co., Maryland, in 1776.

We know from estate papers of Samuel that the first name Samuel's wife was Sarah. Land Records of Worcester Co., Maryland (Book D page 284, 8 May 1758) "between John Farwell and Mary his wife and Thomas Farwell Tingle" give Thomas' middle name. Another land record (Book H page 634, 14 Nov 1771) provides that Thomas Farwell Tingle sold 29 acres to William Davis Stevens bought of "Uncle John Farwell." This gives a very strong indication that the maiden name of Sarah was Farwell.

Oliver and Matthias appeared with their father on the tax records of Sussex Co., Delaware. Samuel appears on both the Maryland and Delaware tax records.

Sons of Thomas Bishop and Elizabeth Barber:

+ 100 m I. **Thomas John Bishop** was born in Anne Arundel Co. about 1731. He died in Berkeley Co., West Virginia.

Thomas John Bishop worked with his father, Thomas Bishop, who owned a lot of land. In the deed books Thomas John signs with his father on the tobacco crops and other mortgages, as normally the oldest son inherits everything according to tradition and English law.

According to newspapers at the time, they were living on Elk Ridge in Anne Arundel Co., MD. Thomas died without a will before 1788 probably between 1782 and 1787. In June of 1788, Thomas John's mother deeds everything to the children of her deceased son Solomon Bishop. Solomon's wife was pregnant with Nimrod at this time and he was not mentioned in Elizabeth's deed of gift as an unborn child, so Elizabeth either ignored it or she didn't know as Nimrod is not mentioned. Thomas John Bishop packed up his family and moved to the Berkeley/Frederick County area of Virginia where he purchased land and started over

sometime between 1782 and 1787.

Family of Hugh Tingle and Elizabeth Powell

768. Hugh Tingle was born in 1654 in Belton-en-Axholme, Lincoln, England. He was the son of Symon Tingle (1536) and Isabel Kitchin (1537).

Hugh was christened in Axholme on April 13, 1654. He immigrated on April 26, 1669. England to Maryland.

Hugh signed his will on April 28, 1723, in Somerset Co., Maryland. He died at now Worcester in Somerset Co. before August 22, 1733. His estate was probated on August 22, 1733, in Somerset Co.

The first settler bearing the surname Tingle, in what is now Worcester County, Maryland, would appear to be Hugh Tingle. He was probably from England since the surname appears in parish records of Yorkshire, Lincoln, Derby, Nottingham, Gloucester and Sussex Counties.

Hugh Tingle (his surname was spelled Tingles) was one of seven persons 'imported' into Maryland on 26 April 1669 by Christopher Rousby who received 350 acres of land thereby. Hugh was fourteen years of age. Mr. Rousby was a Royal Customs officer who was later murdered by George Talbot, the hot-headed nephew of Lord Baltimore. The ship was under the command of Thomas Pieghen, Master. It is not clear whether the name of the vessel was 'Whittby' or whether it sailed from Whitby, England. This port is situated on the North Sea coast, not too far from the Yorkshires.

"Hugh Tingle and Elizabeth Powell were married by Mr. Trail, Minister, ye twenty-first day of December, Anno Domini, one thousand six hundred eighty-three." Willaim Traile was one of the earliest Presbyterian Ministers, arriving in the colonies shortly after Rev. Frances Makemie, founder of the Presbyterian Church in America.

Elizabeth Powell was the daughter of Walter Powell and Margaret Berry. Her father was a Quaker and "one of the highest class of early settlers in Somerset County." It should be mentioned that this part of the county did not become Worcester until the latter was erected from it in 1742.

Hugh and Elizabeth started a family immediately. The old court record book of Somerset County shows this interesting item - "Samuell Tingle Son of Hugh Borne of Elizabeth his wife ye 17th day of September one thousand six hundred eighty & four."

The couple appear to have lived at first on part of a tract called "Powell's Inclusion." The record of its survey reads: "Powell's Inclusion , 256 acres, surveyed May 2, 1686 for Walter Powell, back from the seaboard side. 128 acres possessed by Hugh Tingle in his wife's right, the residue by Walter Evans." Walter Evans was Hugh's brother-in-law, having married Mary Powell, sister of Elizabeth Powell Tingle. Their father, Walter Powell, gave Elizabeth and Mary this tract and other land in his will.

On 28 November 1689, Hugh signed the "Address of Loyalty to King

William and Queen Mary.

On July 18, 1693, Hugh purchased 200 acres called "Dumfreise" from Thomas and Mary Fenwick for 4,000 pounds of tobacco. This farm was in the northeast part of what is now Worcester county near Fenwick Island. Hugh adopted the name Dumfeise for his plantation. Hush also acquired 75 acres known as Hilliard's Discovery, 100 acres known as Parker's Denial and 200 acres known as Scottish Plot, for a total of 903 acres.

Hugh Tingle made his will on 28 April 1723, and was probated 22 August 1733. His wife, Elizabeth, survived him about thirteen years. Her will, dated 18 May 1740, was proven 19 July 1746. Hugh left Layfield's Lott to his eldest son Hugh. He also mentions three daughters: Margaret Hudson, Sarah Collings and Elisabeth. He leaves Parke's Denial to five children: Hugh, John, Margaret, Sarah, Elisabeth. He also mentions his wife, and the following children: Littleton and Samuel (both under 21), Mary Cob Daniel. His son John, who was also his executor, got the plantation called Dumfries. He also mentions his grandson Littleton Tingle. The will was witnessed by Richard Logwood, William Kennet, and Benjamin Burton. It was appraised by Joseph Wyatt and John Holland.

It would appear that Hugh Tingle was a well-respected and substantial citizen as shown by his will and by certain affidavits submitted by his neighbors after his death, relative to the lengthy boundary dispute between William Penn's heirs and the various Lords Baltimore, concerning the Delaware-Maryland line. One disposition refers to "Hugh Tingle as an 'antient' man of good credit who lived within a mile or two of Fenwick Island."

Most, if not all, of Hugh's land were originally in Somerset County, Maryland. This part of Somerset County became part of Worcester County, Maryland in 1742. Upon the settlement of a boundary dispute settled by the Chancery Court of England and signed by King George III in 1769, nearly all of Hugh's land became situated in Sussex County, Delaware. The first settler bearing the surname Tingle, in what is now Worcester County, Maryland, would appear to be Hugh Tingle. He was probably from England since the surname appears in parish records of Yorkshire, Lincoln, Derby, Nottingham, Gloucester and Sussex Counties.

769. At the age of 29, Hugh married **Elizabeth Powell** on December 22, 1683, at now Worcester Co., Maryland in Stepney Parish, Somerset Co., when she was 13 years old. They had eleven children.

Elizabeth was born in Accomack Co., Virginia, on January 19, 1670. She signed her will on May 18, 1740.

Elizabeth reached 75 years of age and died at now Worcester in Somerset Co., Maryland, in 1746. She was buried in Worcester Co. Her estate was probated on July 19, 1746. Hugh's wedding to Elizabeth Powell was performed by Rev. William Trail of the North of Ireland and is said to have been the first wedding in the county in which a Presbyterian minister officiated. Rev. Trail is said to have been an associate of Rev. Francis Makemie, the first Presbyterian minister in the county. Some references suggest that the marriage was actually in 1693. She was the daughter of Walter Powell (1538) and Margaret Berry (1539).

Walter Powell lived at "Greenfield," bequeathing this plantation, at his death in 1696/7, to his son, William Powell. William Powell likewise made his home at "Greenfield" and, dying in 1715, devised the plantation to his son, John Powell. Walter Powell directed by his will, dated March 27, 1695, probated February 4, 1696/7, that his body "be buried in the Quaker burying ground." William Powell's will, dated April 15, 1715, probated June 22, 1715, requests "to be buried according to the direction of the Quakers."

(footnote) Somerset Court, Liber DT, No. 7, pp. 41-3, deed, July, 1670, from Thomas Walker to Walter Powell for the three tracts of land, "Greenfield," "Middle," and "Exchange"; see wills of Walter and William Powell in Maryland Calendar of Wills, Vol. II, p. 102, and Vol. IV, p. 76. Walter Powell was evidently not a Quaker when he came into Somerset County to reside in 1669 or 1670. We find that John Powell, son of Walter and Margaret Powell, was born at Pocomoke [Pocomoke Hundred], September 27, 1674, "and baptized ye 25 day of October next following" (Somerset Court, Liber IKL, p. 209), and that Elizabeth Powell (who was daughter of Walter Powell) was married December 22, 1683, to Hugh Tingle, "by William Traile, minister" (Ibid.). William Traile was a Presbyterian minister. Now we know that Quakers did not submit their children to "baptism," nor were they married by ordained ministers. Evidently Walter Powell and his household became "convinced" later than 1674, when his infant son, John, was baptized. The date of his "conviction" and becoming a "Friend" is not known. That his daughter, Elizabeth, was married to Hugh Tingle by a Presbyterian minister is not evidence that Walter Powell may not have become a "Friend" before that

date. Parents who are "Friends" cannot be held accountable for the acts of their children any more than parents who are "non-Friends." Ladies in marrying--even gentle Quaker ladies--sometimes make choice "out of meeting"!

Hugh's wife, Elizabeth, survived him by about thirteen years. Her will, dated the 18th of May 1740, was proven on the 19th of July 1746. Elizabeth's will: To son Daniel, the tract of land called "Hiliard's Discovery", 75 acres, and another tract called "Powell's Inclusion", 128 acres; all her hogs, and a bed that is at his house; and he to be the executor. Christopher was born about 1627, a son of another Christopher Branch and Mary Addy. Although he grew up in Henrico County where he continued to own some land, he lived in Charles City County where he was a justice of the peace. Since few Charles City records remain, little is known of his life there.

He lived through some extraordinary times in English history. In 1649, when he was about 20, Parliament condemned King Charles to death. For 4 years Virginia was a colony of the Commonwealth of England until Oliver Cromwell anointed himself lord protector. Dissatisfied with how government affairs were being handled, England overthrew the Puritans and returned to a monarchy, restoring Charles II to the throne of his

father in 1660.

His wife, Sarah Almond, was the mother of Christopher, Samuel, Benjamin, Mary, and Sarah Branch whom his father helped rear after he died in my 30s. He had a few congressmen and governors among his descendants, too, not to mention more than 35 state legislators.

The first settler bearing the surname Tingle, in what is now Worcester County, Maryland, would appear to be Hugh Tingle. He was probably from England since the surname appears in parish records of Yorkshire, Lincoln, Derby, Nottingham, Gloucester and Sussex Counties.

Hugh Tingle (his surname was spelled Tingles) was one of seven persons 'imported' into Maryland on 26 April 1669 by Christopher Rousby who received 350 acres of land thereby. Hugh was fourteen years of age. Mr. Rousby was a Royal Customs officer who was later murdered by George Talbot, the hot-headed nephew of Lord Baltimore. The ship was under the command of Thomas Pieghen, Master. It is not clear whether the name of the vessel was 'Whittby' or whether it sailed from Whitby, England. This port is situated on the North Sea coast, not too far from the Yorkshires.

"Hugh Tingle and Elizabeth Powell were married by Mr. Trail, Minister, ye twenty-first day of December, Anno Domini, one thousand six hundred eighty-three." Willaim Traile was one of the earliest Presbyterian Ministers, arriving in the colonies shortly after Rev. Frances Makemie, founder of the Presbyterian Church in America.

Elizabeth Powell was the daughter of Walter Powell and Margaret Berry. Her father was a Quaker and "one of the highest class of early settlers in Somerset County." It should be mentioned that this part of the county did not become Worcester until the latter was erected from it in 1742.

Hugh and Elizabeth started a family immediately. The old court record book of Somerset County shows this interesting item - "Samuell Tingle Son of Hugh Borne of Elizabeth his wife ye 17th day of September one thousand six hundred eighty & four."
