To see one carrying a lantern around

f evenings is a source of much amusement to some people. A certain lady who has become notable by having he lantern constantly by her side at nights, in answer to an enquiry, said that she carried it so much through force of nabit, first having a fear of darkness. stantiy have a light at hand. Those who venture out in the darkness often the play. The spectacular effect this mistake mud-puddles for dry land. It is no easy matter, when all is darkness around, to keep in the trodden path, even with a light; then it is surely foolhardy to venture out

Woodland theater-goers will long re-"Hendrick Hudson," Jr., which will be presented tonight, is an operatic extrawhen winds will not permit a light to vaganza of so much merit that it had glow and where in daylight the path is an unusual run in New York, Boston elippery. If we constantly carry with and Chicago and is said to be the most us the light of faith and trust ourselves successful of the few great hits of the not, where it is in danger of being extinguished, it is likely that we shall written and is stronger, more humorous escape nearly, if not all, of the mishaps of the world. A complete synopsis of this operation The prospects of a famine in Ireland

ook gruesome. It shows that a "handto-mouth" mode of living prevails, which mode is said to be the result of exchanges are loud in their praise of the landlordism and tyranny. Hundreds of people in this country, by the advantages offered and by their own industry and saving, have made themselves homes that give outward appearance of prominent comedians and burlesque comfort, but too often on the records on ertists as Joe Cawthorn, John Page, the same shelf with the book of deeds is Neil McNeil, John F. Park, H. A. the book of mortgages in which a record Cassidy, Maurice Robinson, John F. is entered that throws a shadow on Barry, Hermann Greinert, Octavia those homes. The mortgagor stands in no very enviable light. It is no doubt son, Helen Holden Welch, Arnola Belletoo true that he is often unmerciful and ville, Lulu Cosgrove. Stewart sisters and avaricious, always tightening rather than loosening his grasp, but how often selected chorus. A number of high is it that he is given his first class vaudeville acts are interspersed power through some pretext, rather than real need of money. Be it as it may, a full-grown mortgage means death. Slow or quick, it is death just the same. "A misunderstanding as to the mean-A man often looks farther than he can ing of a word sometimes leads to peculreach, and reaching, falls. What folly iar situations, " said Rev. A. L. Smith of Chicago. "In company with several Teachers Christian Church Sunday other ministers I was riding in a stage future without having any definite idea how they are to be met. A home is hack, which served the purpose of a stage, en route to a camp meeting. The made through labor and economy road wound around the mountains, and usually. All that we can expect of it is the air was delightful, while the scenery that it be a place where we can labor was almost sublime. I was invigorated and economize and find enjoyment as though by a powerful tonic, and several times remarked upon the ozone in and pleasure in the thought that it is the air. After one of these observations all ours and honestly acquired. When the driver stopped his horses, and, beck- there is pleasure found in work there is oning to me slyly, climbed from the usually a snug little income the net reseat. Wondering what he could want, I sult of such work. There is but little followed him, and soon we were behind satisfaction in working for a mortgage, a large tree, out of the view of the wagand the mortgaged lan lowners of this on. 'Parson,' said the driver, 'I couldn's country would be as loud in their cries bear to see you suffer. The ozone you smelled was in my pocket. With these of tyranny and oppression during a

It took lords. several minutes to convince him that it When I see two young hearts, brimwas not whisky I had referred to as ming full of love, take it on themselves to make a little world in which to live and repose as one. I cannot refrain from "What is the difference," asks a corasking them what have they each been loing whereby they can give and take a button or a peacock's feather on the the full confidence of one another for one hand, and a thistle, a bath or a their remaining days. The young woman who is modest, cheerful, chaste tached to the first set of emblems by the and economical, respects and loves her Chinese when we ourselves set just as parents, fears God, detests indolence, is not given to coquettishness and fickle much store by the second set?" There is ness, is a jewel for the young man who is fortunate enough to win her love. wags in the press who are always poking fun at Li Hung Chang's yellow jacket

Gladness Comes

According to a celebrated anatomist there are upwards of 5,000,000 little glands in the stomach. These glands pour out the digestive juices which dissolve or digest the food. Indigestion is want of juice, weakness of glands, need sickness are not due to any actual disof help to restore the health of these organs. The best and most natural help is that given by Shaker Digestive Cordial. Natural, because it supplies the materials needed by the glands to prepare the digestive juices. Because it strengthens and invigorates the glands and the stomach, until they are able to do their work alone. Shaker Digestive Cordial cures indigestion certainly and permanently. It does so by natural means, and therein lies the secret of its wonderful and unvaried success. At druggists, price 10c to \$1 per bottle.
